EXPERIENCE:

Lead Programmer

2015 – 2016, 2017 - 2018

Forest Lake Academy, Longwood, Florida

- Wrote programs using **Java** in **Android Studio** to guide our robot in doing certain tasks
- Wrote both autonomous and teleoperation programs for our omnidirectional robot
- Achieved 2nd place in the national competition for the Adventist Robotics League in 2017
- Was team leader for the freshman team my freshman year

Middle School Robotics Mentor

August 2015 - May 2017

Forest Lake Education Center, Longwood, Florida

- Mentored middle school students on principles of working on a project focused team and dealing with and resolving conflict
- Guided students in the process of devising programs to do specific tasks and becoming familiar and comfortable with the often frustrating failure that sometimes lines the way to success
- Went with them to competitions in Collegedale, Tennessee and Sacramento, California as an advisor and someone they could turn to for help

Math Student Grader

August 2018 - Present

Forest Lake Education Center, Longwood, Florida

- On recommendation from the Vice Principal of the school, I was offered the job of student grader for the 7th and 8th-grade math teacher
- Work with a variety of programs to grade and record assignments for over 5 classes of students, as well as assisting in test grading
